9' stainless steel whip. Part of Icom
AH2b mobile HF antenna

ICOM AH-4 antenna tuner (exterior)
with cables. Good for long wire
antennas or the AH2b noted above.

Misc lengths of **tinned copper**
grounding strap. Best reasonable
offer.

Morningstar 30-amp MPPT charge
controller.

4 Astroenergy solar panels.
2 panels are 95 watt and 2 panels are
90 watt. All four panels are electrically
compatible. Used for only 1 month.

Samlex 30-Amp 4-phase battery
charger.
