

## CARA Membership as of January 10, 2019

### Members listed in Red are Life Members

Members highlighted in yellow are lapsed members effective 31 JUL 2018 and will be dropped from the role on 31 JUL 2019 if not renewed prior to that date.

Note: Your 2018 dues were due NLT 31 JUL – if you have not yet paid them you can send them in to the PO Box or bring them to

It is entirely possible that there are remaining errors in this list as I had to depart our May hamfest early, so some folks may have paid the treasurer without me knowing (and their funds were included in general hamfest revenue rather than being credited to your membership).
