

RECLAMATION PLAN
September 25, 2009

At such time as the County and Cochise Amateur Radio Association (CARA) permanently vacate the Moson Road site, the following reclamation steps will be taken.

1. All buildings, structures, towers, foundations and fencing will be removed from the property.
2. The County will cause all utilities to be disconnected. All piping, tubing, conduit, wiring, and utility poles will be removed.
3. The septic system will be dismantled in accordance with the Arizona Administrative Code Title 18 and applicable County codes.
4. The existing well will be capped and sealed.
5. All non-vegetated areas will be appropriately prepared for reseeding and replanting.
6. In consultation with the Bureau of Land Management (BLM), the site will be reseeded and replanted with native vegetation mutually agreed upon by both parties.
7. The County will comply with any other reclamation efforts in effect at the time vacating the property.
