

## WB6OTS Grant Hays

It is with heavy heart that I share that husband, father, grandfather, friend,  
Grant Hays, has unexpectedly left us while visiting Évora Portugal and  
became one with the universe again. He is and always will be deeply loved.

(June 28th 1939 - September 25th 2019).

I have flown Portugal to be with my mother. — Anna-Maria Hays Putnam
